## PIE DRIVE FUNDRAISING PACK

# FUNDRAISING PROCEDURE

## *5 steps to easy, profitable and successful fundraising . . .*

### 1. Phone us on 02 6581 2177

To book your distribution date and to **confirm you have the current price list.**

### 2. Organise your Order Forms

Photocopy the below 'Individual Order Form' and hand them out to all your sellers to distribute to parents and friends. Attach a supporting letter to promote the Pie Drive and ensure you write the return and distribution dates on the 'Individual Order Form' before photocopying. The distribution date is the day pies are delivered and handed out.

### 3. Complete a list of Totals

Use a spare 'Individual Order Form' as your Total sheet – add together the total orders for each product.

**Totals need to be double checked by you** to ensure we bake the required number of pies.

### 4. Phone or Email your Totals List

Make sure your organisations name, delivery address, delivery date and the earliest and latest delivery time is clearly written.

### 5. Delivery to your door

Our refrigerated trucks will deliver your freshly baked pies individually wrapped and sealed with full nutritional and ingredient information. **\$20 - \$100 per pie drive** will be charged to cover deliveries and third party storage costs. All you need to do is hand out the pies according to each individual order.

### Important Notes:

- Please complete your Totals Form with care. It must be double-checked to ensure we bake and deliver the correct amount of each product to fill your orders.
- Instruct your supporters on your covering letter to make cheques payable to your organisation. A single cheque should then be made payable to Timbertown Pies after the confirmation of your order.
- Ensure we receive your order a minimum 7 days prior to delivery.
- Our pies are delivered FROZEN and can be kept for up to 7 days in the fridge or frozen for months. Why not stock up for the easiest family meal around and raise funds for your group at the same time.
